FOREWORD

I am your yearbook, the 1964 Mesquite. You, the students of Patagonia Union High School created me. I tell the story of your high school year.

I am the blueprint of your years at school. On my pages are class, team, club, royalty pictures. I contain all the joys, disappointments, work and activities of your years.

As you leaf through me, remember the knowledge you obtained this year from your dedicated teachers! I want you to remember your friends and very special days and nights. I grew from all these "things" and I will continue to grow in value to you as you step out into the world with the knowledge you obtained.

TREASURE ME ALWAYS AND I'LL STAY ALIVE IN YOUR HEART.

SCHOOL LIFE

This is Patagonia Union High School. This is a school filled with many "rambuncious" students--and you may say, faculty too! Life in P.U.H.S. consists of many phases. From the hard academic studies of physics and advanced math, the long hours of work experience and office work, the grueling exercises of the physical education classes, the tight and busy schedule of extra-curricular activities, the tense, heartbreaking and the ecstastic moments of a football or a basketball game, to the leisurely moments of a dance or some other social activity.

Many new activities are introduced in our school days for each new year. Our minds work together and conceive new and fresh ideas which can be carried out for the students to enjoy. Powder Puff games and weekend retreats have been introduced, participated in and enjoyed by all. We are very fortunate to attend a small school such as ours in which the faculty and the students have close relationships and can share views and opinions. This makes the school days and school life more enjoyable.

These are years which we will never forget for as long as we live. These are the years in which we are young, healthy, determined, ambitious and full of life.

SENIOR HISTORY

We began our careers as high school students in 1960. We took all the Sophomores could dish out on initiation day and were ready for more. That year we made up nearly half of the football squad. Our class officers were Bosie Mellor, President; Duane Cornwall, Vice President; Bill Henry, Secretary-Treasurer; and Calvin Papotto, Representative.

Our sophomore year we were prepared to give the Freshmen an initiation that they would remember. When we had completely shown them who was boss, then we treated them to a coke, and then that night honored them with a Kid Dance. Leading our class that year were, Alan Hatch, President; John Sullivan, Vice President; Mary Ann Davis, Secretary-Treasurer; and Duane Cornwall, Representative.

Our Junior year we presented a three act comedy "Papa Is All." It was our desire to be different that drove us to presenting our Limbo Rock Dance, highlighted by our Limbo Contest. For our Prom we chose the theme "With A Song In My Heart." Decorating took a lot of work but when finished we presented an outstanding prom. Representing our class this year at Boys' State was Alan Hatch, Girls' State was Mary Beth Nord, and Anytown was John Sullivan. Class officers for that year were Alan Hatch, President; Bill Brooks, Vice President; Bosie Mellor, Secretary; Duane Cornwall, Treasurer; and Rusty Cornwall, Representative.

We have arrived! We are now Seniors, "the biggest and the best." Through the Student Council the rules were changed and we again initiated the Freshmen. When we finished the painting of the "P" it was as white as it has ever been. We have set our goal this year for a Senior Trip. Presenting a great Prom takes money, but under the capable leadership of Bill Brooks, President; John Sullivan, Vice President; Bertha De La Ossa, Secretary; Mary Beth Nord, Treasurer; Bill Henry, Representative; and Mr. John Ford, our sponsor; we feel confident we can make enough money to realize our goal.
